Dear Sir,

I am interested in applying for the position of web designer at your company and would like you to consider me for the role.

You will see from my CV that I am a fully qualified and experienced web design professional who can present innovative and creative solutions to meet clients' equirements. My technical knowledge and vision are key to taking the desires and ideas of a client and translating them into a website that will effectively market and grow their business.

I would be keen to discuss my suitability for the position in more detail at interview. Please contact me on (01206604278) or at (aml.ibrahim.mossad@yahoo.com) if you would like to take my application forward. Thank you for your consideration. I look forward to hearing from you.

Sincerely,

Aml Ibrahim
